

Facility	Project	Measure C Project Category
CHSA	lighting retrofit new tech displays and whiteboard replacement DSA closeout work security upgrades part A front landscape construction roofing HVAC replacement MPR sound system upgrades exterior wall repair and painting	Energy Efficiency Classroom Furniture and Technology Modular Building Renovation and Replacement Exterior Renovation and Security Playground, Field, and Landscaping Renovation Roof Restoration and Replacement Heating, Ventilation, and Air Conditioning Interior Remodeling Exterior Renovation and Security
DCS	lighting retrofit classroom furniture MPR sound system upgrades new tech displays and whiteboard replacement security upgrades part A carpet replacement termite tenting DSA closeout work HVAC replacement underground utilities - sewer pipes kinder playground asphalt replacement kinder playground equipment replacement main playground equipment replacement exterior wall repair and painting	Energy Efficiency Classroom Furniture and Technology Interior Remodeling Classroom Furniture and Technology Exterior Renovation and Security Interior Remodeling n/a Modular Building Renovation and Replacement Heating, Ventilation, and Air Conditioning Underground Utilities, Pavement, and Parking Lot Safety Playground, Field, and Landscaping Renovation Playground, Field, and Landscaping Renovation Playground, Field, and Landscaping Renovation Exterior Renovation and Security
LMS	lighting retrofit new tech displays and whiteboard replacement MPR sound system upgrades security upgrades part A HVAC replacement exterior wall repair and painting classroom furniture SUMMER ACTIVITY LOCATION 1 of 3 (SPED)	Energy Efficiency Classroom Furniture and Technology Interior Remodeling Exterior Renovation and Security Heating, Ventilation, and Air Conditioning Exterior Renovation and Security Classroom Furniture and Technology n/a

LCS	lighting retrofit classroom furniture new tech displays and whiteboard replacement gym upgrades security upgrades Part A HVAC replacement roofing DSA closeout work maker space upgrades kitchen floor replacement	Energy Efficiency Classroom Furniture and Technology Classroom Furniture and Technology Interior Remodeling Exterior Renovation and Security Heating, Ventilation, and Air Conditioning Roof Restoration and Replacement Modular Building Renovation and Replacement Interior Remodeling Interior Remodeling
LPS	lighting retrofit classroom furniture security upgrades part A HVAC replacement office renovation HVAC replacement DSA closeout work front office area landscaping/hardscaping kitchen floor replacement new tech displays and whiteboard replacement	Energy Efficiency Classroom Furniture and Technology Exterior Renovation and Security Heating, Ventilation, and Air Conditioning Interior Remodeling Heating, Ventilation, and Air Conditioning Modular Building Renovation and Replacement Playground, Field, and Landscaping Renovation Interior Remodeling Classroom Furniture and Technology
LPSSA	lighting retrofit security upgrades part A beam repair exterior wall repair and painting MPR sound system upgrades roofing DSA closeout work HVAC replacement parking lot crosswalk and sidewalk kitchen floor replacement carpet replacement new tech displays and whiteboard replacement	Energy Efficiency Exterior Renovation and Security Exterior Renovation and Security Exterior Renovation and Security Interior Remodeling Roof Restoration and Replacement Modular Building Renovation and Replacement Heating, Ventilation, and Air Conditioning Underground Utilities, Pavement, and Parking Lot Safety Interior Remodeling Interior Remodeling Interior Remodeling

MVS	lighting retrofit classroom furniture security upgrades part A HVAC replacement new tech displays and whiteboard replacement outdoor furniture roofing SUMMER ACTIVITY LOCATION 2 OF 3 gym/MPR upgrades	Energy Efficiency Classroom Furniture and Technology Exterior Renovation and Security Heating, Ventilation, and Air Conditioning Classroom Furniture and Technology Playground, Field, and Landscaping Renovation Roof Restoration and Replacement n/a Interior Remodeling
PVSEA (LAS site)	lighting retrofit security upgrades part A non-structural interior renovations technology infrastructure pavers in quad area / asphalt demo HVAC replacement roofing Eston Street tree removals Eston street tree re-planting and fencing DSA closeout termite tenting gym upgrades	Energy Efficiency Exterior Renovation and Security Interior Remodeling Classroom Furniture and Technology Playground, Field, and Landscaping Renovation Heating, Ventilation, and Air Conditioning Roof Restoration and Replacement Playground, Field, and Landscaping Renovation Playground, Field, and Landscaping Renovation Playground, Field, and Landscaping Renovation Modular Building Renovation and Replacement n/a Interior Remodeling
PVSEA Jr. (ERS site)	lighting retrofit non-structural interior renovations technology infrastructure security upgrades part A asphalt and sidewalk replacement fencing replacement and modification outdoor classroom roofing restroom addition/modification HVAC replacement DSA closeout front parking lot safety project kinder playground equipment replacement	Energy Efficiency Interior Remodeling Low Voltage System Replacement Exterior Renovation and Security Playground, Field, and Landscaping Renovation Exterior Renovation and Security Playground, Field, and Landscaping Renovation Roof Restoration and Replacement Interior Remodeling Heating, Ventilation, and Air Conditioning Modular Building Renovation and Replacement Underground Utilities, Pavement, and Parking Lot Safety Playground, Field, and Landscaping Renovation

RRS	lighting retrofit SUMMER ACTIVITY LOCATION 3 of 3 (YAA) security upgrades part A new tech displays and whiteboard replacement roof patching HVAC replacement (portables only) kitchen floor replacement	Energy Efficiency n/a Exterior Renovation and Security Classroom Furniture and Technology Roof Restoration and Replacement Heating, Ventilation, and Air Conditioning Interior Remodeling
SRTMS	lighting retrofit security upgrades part A roofing HVAC replacement carpet replacement classroom furniture DSA closeout MPR sound system upgrades exterior wall repair and painting new tech displays and whiteboard replacement	Energy Efficiency Exterior Renovation and Security Roof Restoration and Replacement Heating, Ventilation, and Air Conditioning Interior Remodeling Classroom Furniture and Technology Modular Building Renovation and Replacement Interior Remodeling Exterior Renovation and Security Classroom Furniture and Technology
TLS	lighting retrofit roofing computer lab remodeling HVAC replacement security upgrades part A new tech displays and whiteboard replacement kinder playground equipment replacement main playground equipment replacement DSA closeout	Interior Remodeling Roof Restoration and Replacement Interior Remodeling Heating, Ventilation, and Air Conditioning Exterior Renovation and Security Classroom Furniture and Technology Playground, Field, and Landscaping Renovation Playground, Field, and Landscaping Renovation Modular Building Renovation and Replacement

EDS (UPCS)	lighting retrofit HVAC replacement kinder play area shade project DSA closeout security upgrades part A	Energy Efficiency Heating, Ventilation, and Air Conditioning Playground, Field, and Landscaping Renovation Modular Building Renovation and Replacement Exterior Renovation and Security
VLS (CAPE)	beam repair and exterior painting security upgrades part A classroom furniture (if needed)	Exterior Renovation and Security Exterior Renovation and Security Classroom Furniture and Technology
PVIC	roofing kitchen floor replacement	Roof Restoration and Replacement Interior Remodeling
DO (no bond funds)	modular offices emergency generator project back parking lot project	n/a n/a n/a
